Headquartered in Rodano (Italy), Olon has 11 manufacturing facilities – 8 located in Italy, 1 in Spain, 1 in USA and 1 in India, all compliant with international requirements, and 3 branch offices.

We are looking for **recently graduated candidates** to hire and grow into diversified career paths within the following Functions:

- **Operations** -> Manufacturing / Health Safety Environment / Engineering / Quality
- **R&D** -> Process / Analytical
- **Supply Chain** -> Planning / Distribution& Logistic
- **Sales** -> Business Development / Key Account Mgmt / Inside Sales
- **Regulatory**

Apply here if you have:

- A qualification in the following or similar areas:
 - Chemistry / Chemistry and Pharmaceutical Technologies / Biotechnology.
 - Engineering
 - Economics

- Knowledge of the English language, at least B1 level, is required

We look for individuals who are passionate, collaborative, able to drive results and motivated to join a dynamic multinational Company continuously growing in the market.

You will find:

 A dynamic, constantly evolving work environment, open to creativity and personal contribution

 Training Program to increase your personal and professional skills

 Courses for recent high school graduates and graduates

 Internal career paths: we believe in internal growth and cultivate our managers

 An inclusive environment that fosters integration of different cultures and mindsets

We offer competitive and stable placements in the company; we are open to evaluating, once the ideal candidates have been identified, the type of contract to be applied, the remuneration package and the designated workplace.

Olon is committed to providing equal opportunities in employment. Our policy foresees that equal employment opportunities are provided without regard to age, race, creed, color, religion, sex, disability, pregnancy, medical condition, genetic information, marital status, sexual orientation, gender identity or expression, ancestry, national or ethnic origin, citizenship status and/or any legally recognized status entitled to protection under applicable local laws.
